ORDINANCE NO. 2017-1171

The City Attorney has prepared the following summary of Ordinance Number 2017-1171.

Ordinance 2017-1171 adds Chapter 16.16 to the Imperial Beach Municipal Code ("IBMC"). The Ordinance prohibits any person, business or other establishment from dispensing prepared foods in a disposable container made from either expanded polystyrene or any other non-recyclable plastic container, and from using loose fill packing material made from expanded polystyrene commonly known as packing "peanuts." To allow local businesses time to adjust to the change, the prohibitions in the Ordinance will not be operative until 6 months after the adoption of the Ordinance.

A copy of the Ordinance is available for review in the City Clerk's Office at City Hall located at 825 Imperial Beach Blvd., Imperial Beach, CA 91932. This Ordinance was introduced and first read at the regularly scheduled Council Meeting of December 6, 2017 and will thereafter be adopted at a regular meeting of the City Council on January 17, 2018.
